Re: The Green Pet Shop Enterprises, LLC v. European Home Design, LLC
Case No. 1:17-cv-06238-JMF
Joint Status Letter re Settlement Pursuant to Docket No. 85

Dear Judge Furman,

In its April 1, 2019 Scheduling Order [Dkt. 85], the Court ordered that the parties meet and confer regarding settlement and submit a joint status letter to the Court by April 18, 2019.

The parties, through counsel, have met and conferred regarding settlement. They have discussed settlement options and are in the process of discussing these options with their clients. They have agreed to continue to explore the possibility of settlement through the expert discovery period, which ends July 26, 2019.

If the parties have not reached a settlement by the close of expert discovery, the principals of the parties will meet in person for at least one hour between the close of expert discovery and the submission of dispositive motions, which is scheduled to take place 30 days after the close of expert discovery. The parties may also seek a referral to the Magistrate Judge for mediation at that time.

The parties believe that by timing the settlement meeting and potential mediation to take place after the close of expert discovery, they are increasing the chances of the parties reaching an accord.

Very Truly Yours,
